

Whilst passes are not valid on most of the National Express network, on certain sections which have been registered as "local routes", they may be used for free travel.

## **IMPORTANT**

Free passes are accepted on a "standby" basis only. Priority will always be given to fare-paying and pre-booked passengers i.e. if you will only be able to travel if there are spare seats available.

It is not possible to book seats using free passes, therefore there is no guarantee that you will be able to travel when you wish, or that there will be a place on the coach to take you back!

Please bear in mind time restrictions when travelling in other counties. If you change onto a coach / or return from outside your county, if you travel outside the time restriction of other counties, your pass may not be valid for travel on Mondays - Fridays.

If you need to travel on a specific date, it is recommended that you purchase a *Route Sixty* ticket, which basically is half of the ordinary coach fare and does mean you are guaranteed a seat. It is also valid on most National Express services and not just the sections listed below. Further information is available from here <http://www.nationalexpress.com/coach/offers/routesixty.cfm>

Anyway, here is the list of the sections of routes on which passes may be used:

007

- Deal – Canterbury
- Bluewater – Eltham
- Eltham – VCS

010

- Kings Lynn – Huntingdon
- Cambridge – Sawston
